# They have names. They had dreams.

## Remember the victims of the genocide in Palestine

## Dr. Omar Firwana

*Dr. Omar Firwana was a Palestinian gynaecologist and the former dean of the medical faculty at the Islamic University of Gaza. He was killed with his wife, children, and grandchildren – 14 family members in total – in his home in Tel al-Hawa, West Gaza.*

**Victims since 7th of October 2023**

## Inas

*Inas Al-Saqa was a phenomenal Palestinian theatre artist. The Israeli bombing that targeted a house in the Gaza Strip claimed her life and that of her three children, Lynn, Sarah, and Ibrahim. Her friend Mari Bashir mourned her: "Inas was a talented artist. We worked together on the Summer Games project in UNRWA schools, conducting drama and theatre workshops with children, and participated in many theatrical and cultural events in Gaza."*
